20th Anniversary Encounter

need info?

The **main event** is an interactive environment where we talk about relevant topics that intersect with our everyday lives. The main event begins every Wednesday at 6 p.m. with live music.

There is a **pre-party** with pizza, video games, broomball, espresso drinks and much more every Wednesday immediately after school. Need a ride? Get a signed note from your parents so you can take the bus directly to the church from school!
