

WHAT.

The word 'genesis' literally means "beginnings." The Bible teaches that beginnings are vitally important because how we begin influences where we end up (Mt. 7:24-27). With this in mind, we've created a weekly, summer experience called Genesis that introduces Junior High students to the life and priorities of Jesus. Our hope is that through this, students begin living the adventure of walking as Jesus walked.

BRING.

Bible, modest bathing suit, towel, \$5, and tennis shoes (each week includes a fun, interactive activity!)
